visit....***

Date : 7 Jan 2017

Venue: Saras Diary Ajmer

Name of Department: Zoology

Name of the Activity- Visit to Saras Diary

Date of activity- 7thJan 2017

Number of Participants-50 students of B.Sc Bio II

Venue:Saras Diary Ajmer

Details of Resource Person - Madam Shweta P.R.O Saras Diary Ajmer,

Contact Number: 9928363373

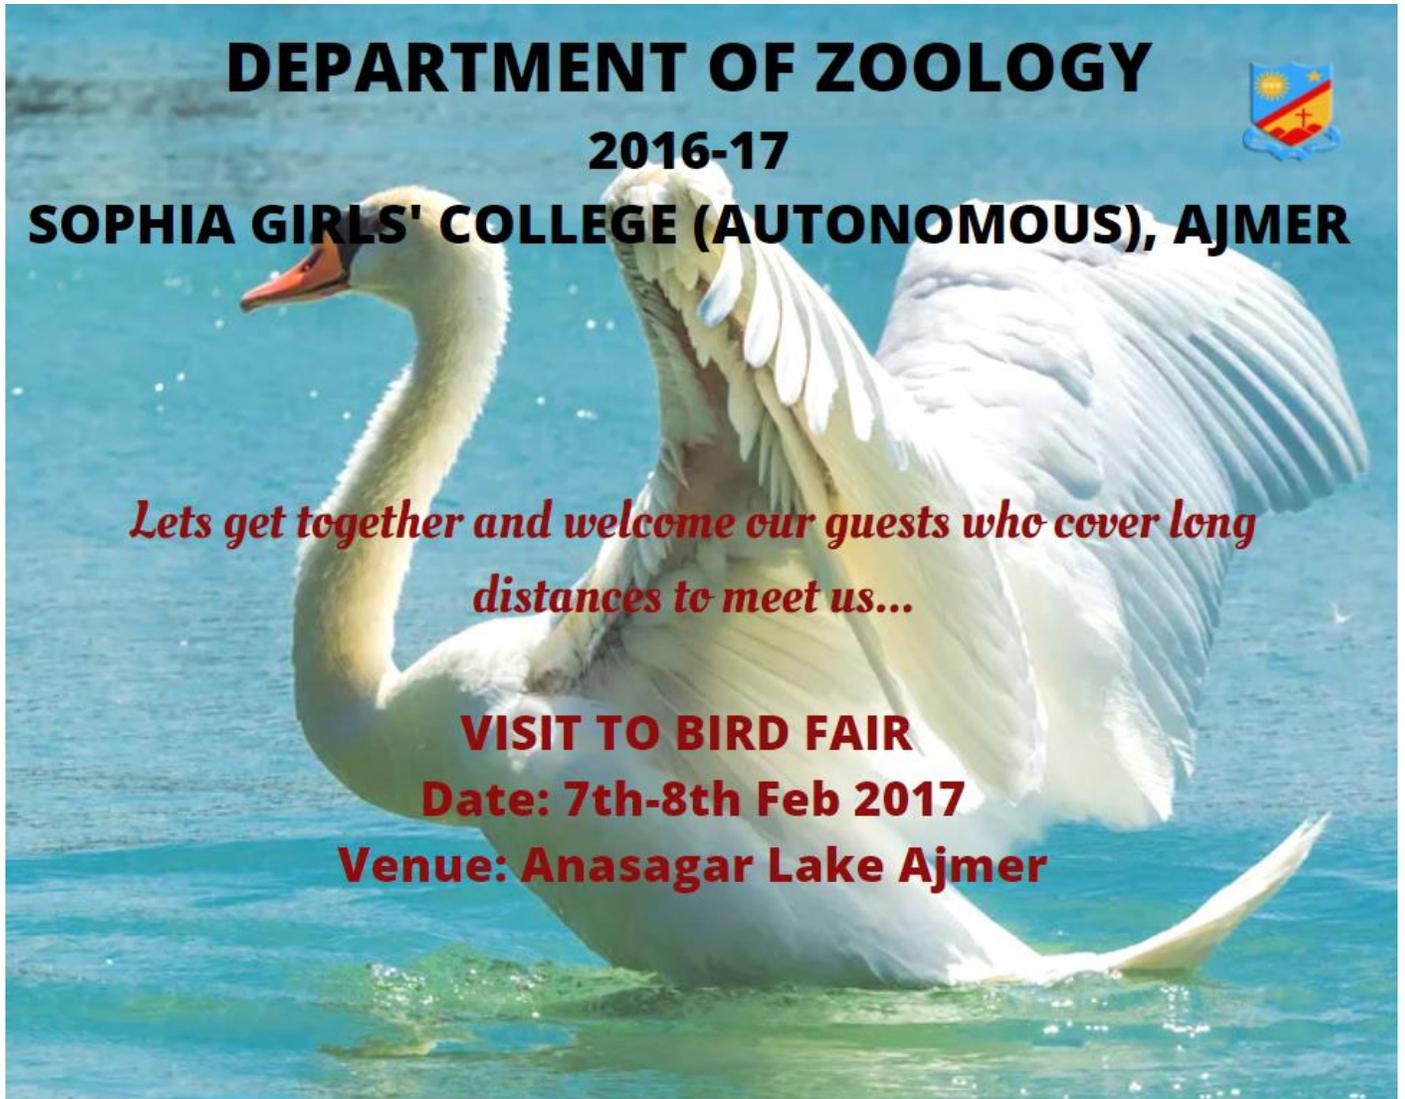

Report

The visit started with an introduction by the Executive in sales, who explained the students about the Chain of Saras dairies in Ajmer district and their production and transportation methods. Later, the students were taken to various departments of churning and ghee production sectors, where they were introduced to the machines used and the production methods. The students were briefed about the various milk products made there.

Learning Objective

The main aim of the visit was to familiarise the students with the microorganisms used in dairy industry and various manufacturing processes.

2. Visit to Bird Fair

Name of Department: Zoology

Name of the Activity- Visit to Bird Fair

Date of activity- 7-8 Feb 2017

Number of Participants-52 students of B.Sc Bio III

Venue: Anasagar Lake, Ajmer

Report

It was a two-day fair for bird watchers and nature enthusiasts. Winter is the time for migratory birds to visit Ajmer. Arrangements were made on various locations surrounding the Anasagar Lake where behaviour of birds related to food attainment, migration, distribution of fish population, effect of environment pollution, etc. could be easily studied.

Learning Objective

The main aim of the joining the event was to introduce the students to the various migratory birds visiting Ajmer. The event gave an opportunity to the students to have a better understanding of the avifauna.
