TWO DAY WORKSHOP

Date: - 26th -27th Feb 2017

Level: Department

Venue: - GIS Lab of the College

Title of Event: - 2-DayWorkshop on Introductory Econometrics with EViews Software

Number of Participants: 45

Resource Person: Dr. Surendra Kulshrestha

Description:The Future of Economics is Technology driven and analyzing large data through Statistical software is the need of the present world. Data is more than oil to the machines. With increasing data size, it has become a need for inspecting, cleaning, transforming, and modeling data with the goal of finding useful information, making conclusion and supporting decision making.

To introduce our students to this technology, two-day workshop was conducted by the Department of Economics on “Introductory Econometrics with E Views Software” on 26th and 27th February 2017, with the purpose of making them familiar about the sophisticated data analysis, regression and forecasting tools on Windows-based computers.

The students of B.A. Economic Honors part III and part II actively participated in the workshop. The resource person for the workshop was Dr. Surender Kumar Kulshrestha Associate Professor Department of economics, Vardhaman Mahaveer Open University, Kota.

Learning Outcome:To provide hands on training to the students on EViews software.

ACTIVITY DETAILS

Date –2nd-4thSeptember 2016

Level- National Level

Venue-St. Xavier's College, Jaipur

Title of the event – Synergy'16
