**"GUEST LECTURE ON CAREER
PROSPECTS IN SOCIOLOGY"**

SEMINAR BY

DATE : 30TH OF JANUARY, 2019

PROF. S.C. RAJORA

VENUE : ROOM NO.48

A talk about taking teaching, research and development,
urban/town planning and policy framing and other sociological
career prospects

ACTIVITY DETAILS

Date: 30th January 2019

Level: Departmental

Venue: Auditorium, Sophia Girls' College (Autonomous), Ajmer

No. of Participants: 46 students

Resource Person: Prof. S.C Rajora, Retd. Professor from Kota University.

DESCRIPTION: He mainly talked about taking teaching, research and development, urban/ town planning and policy framing and other prospects that can be pursued as career choices. Town planning as the career choice is now-a-days reaping real benefits and productivity for the humanities students. It was really pertinent to understand the significance of Town Planning job opportunity's relevance among students.

LEARNING OUTCOME

This counseling would enable students to get acquainted with the scope of Sociology as a career and would help choose the right path as career prospect.

12th February, 2019

**AIMED AT MAKING STUDENTS AWARE ABOUT
CAPACITY BUILDING AND WOMEN
EMPOWERMENT**

ACTIVITY DETAILS

Date: 12th February, 2019

Level: Departmental

Venue: Barefoot College, Tilonia

No. Of Participants: 58

Description: Tilonia is a village in Ajmer district in Rajasthan, India. It is home of the NGO, Barefoot College, founded by renowned social worker Bunker Roy.

This village has become a model for all remote villages for education, economic and social development. It is an educational hub with its meritorious students in Navodaya Vidyalaya and village school. A total of 52 students from department of Sociology from BA I visited Tilonia. A mission driven, enterprise building the business capacity and entrepreneurial skills of artisans' enterprises in rural India. Students found a different kind of opportunity for rural women here, where each one was free to learn and become Solar Mamas so that they can improve their villages and train their sisters also.

Learning Outcome: To provide a true manifestation of women empowerment to the students and let them interact women from different walks of life and the challenges they face.
